

DEVOLUTION AND THE PEOPLE'S BRITISH ISLES

Soul THE WOMB OF BRITISH LIFE Spirit

sustaining creative tension between the Principle of Planetary Integrity and the Pragmatism of Democracy in our four Nations

lure of purpose helped by philosophy and theology for the Common Good

THE CONSTITUTIONALISTS' CHARTER
using the system, to become the system, to change the system

every adult an economist a house-keeper a vote to be cast

RE-FORMATION - United Kingdom

- 1. Constitutional parliament for H of Lords
- 2. Four sovereign nations 3. The British Isles

DIRECT DEMOCRACY

JUST GOVERNANCE

RESTORATION - The Islands of Britain

- 4. Written Constitution 5. elections & referenda
- 6. Parties only executive and legal
- 7. Accountability 8. Subsidiarity in confederation
- 9. Money a public utility

subsidiarity - all politics are local and set in confederation

accountability - each to all others through confederation within a written constitution prepared by the people

A FREE, EQUAL, JUST & OPEN SOCIETY for England

- 10 rights, responsibilities, stewardship
- 11. Trust Economy 12. Regional Strength

VOTING OURSELVES INTO BRITISH & GLOBAL CONSCIOUSNESS

EARTH'S GIVEN MATTER AND ENERGY - FINITE OVER GENERATIONS

*imagining the whole and identifying the role of every part
seeing the British Isles and their confederate parts
making real, a politics of the people, by the people, for the people.*

Using the system, to become the system, to change the system.

BREAK THE TAWDRY POLITICS

**TO LET ALL PEOPLE IN - at the roots
TO ENHANCE AN INTER-GENERATIONAL SENSE OF PURPOSE AND POTENTIAL.**

Mapping the British Isles as a Confederation for the rebirth of sovereign people nurtured at different stages of life in different consttuences.

Global Governance is already happening. Governments know it and are powerless to stop it, or even to apply brakes. Corporatbns know it too. The decisions are being made, the rules are being decided and its all behind locked doors. Let people vote to counter corporate insidious power-plays This model of a people's 'Political Economy of Stewardship' must be held in mind and voted for in every sector: that we may be committed to continuity for the human species in its perpetual potentiality.
