Brace yourself with Pragmatism,  
in nature's Principled context.  
Even when heads and legs  
have lost their zest  
persist in the vital pilgrim quest  
for justice, peace, harmony  
on this sacred planet, Earth.  
Enable Common Good to abound,  
the call of inclusive justice to resound,  
for life's inherent creativity readily  
leads us into 2022, encouragingly.

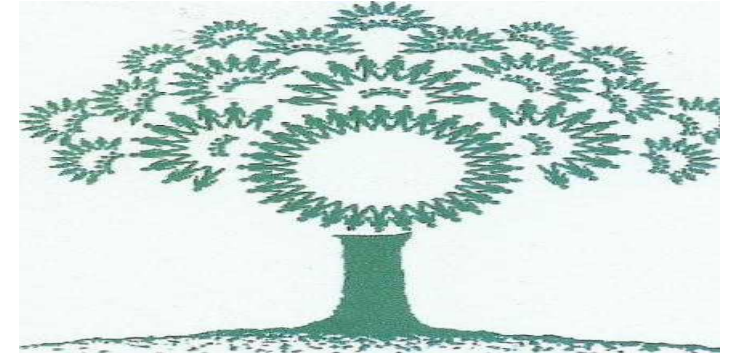

WHEN WILL WE BE RID OF THIS RUBBISH!?

## **THE WRONG MOUNTAIN**

**There was a man,  
who could have been  
any of us and probably is,  
who after a long arduous ascent  
full of grit and sacrifice,  
glanced back across the horizon,  
only to realise that he had  
climbed the wrong mountain.**

# Common Wealth

To contribute to 'the Kin[g]dom of God' follow...

**The Golden rule** – do unto others as you would they do unto you

**The Green rule** - do unto the Earth as you would have nature do unto you

**The Double Commitment** that binds them together as

**Both love 'God' and 'all right relationships'**

Know the value of the rich range of these six love-defining  
and mind-expanding Greek insights:

Love is .....

**Eros: Life-generating sexual tenderness**

**Philia: Deep friendship of the will reaching our neighbours**

**Ludus: Light, tentative attention to life's idiosyncrasies**

**Agape: Fostering and nurturing community as  
communion**

**Pragma: Showing encompassing & enduring attention to  
others**

**Philautia: Realising our self-enhanced capacity  
to love God's entire creation**
